Overview

This all brick ranch style home is located on a corner oversized lot. The main level has a living room with a large picture window. The Kitchen has a built-in breakfast bar with granite top that matches the rest of the counters through out the kitchen. The included appliances are frig, range/oven, wall oven and microwave, and dishwasher. The main floor also has hardwood floors everywhere except the kitchen. There is a full main bath with granite and tile, plus 3 bedrooms. One of the 3 bedrooms is the primary bedroom with a 3/4 bath (oversized shower). The walkout basement has a big family room with retro carpet, wet bar and rock wood fireplace. Next to the family room is another 3/4 bath, a non-conforming bedroom with a built-in dresser. There is a game room that has walls that were made from motorcycle crates. This home has built-in storage throughout. To finish off the basement is a big laundry room with plenty of storage. The walk-out basement leads to a nice private back yard with plenty of patio space and a BBQ and an old fashioned stove encased in moss rock. You can enter the double detached garage with a walkin door from the back yard., too. The furnace and Central air were installed 4 years ago. For more information on this property, call Becky Costantino with The 307 Real Estate Group 307=389-4567.
