Overview

This incredible home is ready for a new owner! Great acreage with incredible backyard views! There are three large bedrooms with three bathrooms. One of the bathrooms is off of the laundry room for easy access from outside. The kitchen has been remodeled and has a lot of storage. The open living, dining and kitchen area is the perfect gathering and entertaining space. The three car garage offers plenty of room for additional storage as well. The driveway is gated and shared between this property and the neighbors.
