Overview

TOP FLOOR-FACING THE BACK! Enjoy the luxuries of a condo lifestyle at The Village at Sterling Hill with a stunning private space and the convenience of common areas such as a beautiful lobby, secure entrance, a separate recreation building with expansive exercise room, outdoor patio with grills, large great room for entertaining with two gas fireplaces and common galley kitchen. Walk into your own private unit and you're greeted by a sweeping open concept with 9 FOOT CEILINGS with TRANSOM WINDOWS and a tasteful, uniquely shaped kitchen overlooking the living room with gas fireplace and large dining area. An ideal set up for entertaining. The beautiful kitchen offers a tray ceiling with recessed lighting, stainless steel appliances, tile back splash and granite counter tops. Crown molding throughout. Hardwood floors in the living areas. NEW Carpets in bedrooms. Custom wainscoting leads you into the living room with a corner gas fireplace framing the room and access to your own private balcony overlooking PRETTY BACK YARD and community garden. Spacious master bedroom features great closet space and a luxurious master bath w/granite top double vanity, tile floors, shower and tub. Second bedroom could be used as additional living space if desired. Another 3/4 bath features granite vanity top and shower. Enjoy convenience of a parking garage

and elevator, as well as everything else Sterling Hill has to offer. This unit has a extra large laundry area and pantry
