Overview

Take a break from the hustle and bustle and be welcomed home to this 10+ acre beautiful property surrounded by trees, wildlife, and especially, quiet. A winding driveway leads you to a 4-bedroom brick home, each bedroom having its own bath. A showroom kitchen featuring Neff European cabinetry, a Wolf gas cooktop, and an organizational dream island. The walk-in pantry with grocery lift from the garage is a dream come true! An upper level and main level sunroom offers tranquil views of the treetops offering a quiet place to relax. The pool with powered cover, a sauna, and a steam shower rounds out the relaxation vibe of this home that will have you never wanting to leave. Nestled high above the Yadkin River, come experience all this home has to offer. Whole home generator! Dont miss the video of this extraordinary property.
