Overview

Welcome to your own piece of paradise in Spring Grove, Minnesota! Nestled on 14 acres more or less of scenic land, this property offers a perfect building site just 3 miles west of the charming town of Spring Grove. Subject to survey and split provided by the seller. The property features a beautiful meadow, scattered with timber, creating a picturesque backdrop for your dream home. Wildlife enthusiasts will be delighted by the abundance of wildlife that calls this area home. Nature lovers will appreciate the proximity to snowmobile and horse riding trails, providing endless opportunities for outdoor adventures right at your doorstep. And for those who value connectivity, fiber optic internet provided by Spring Grove Communication ensures you can stay connected to the world while enjoying the peace and tranquility of rural living. Don't miss this chance to own a piece of paradise in a prime location with endless possibilities for creating the ultimate country retreat. Schedule a viewing today and start envisioning your dream home on this stunning property!
