Overview

If you've been looking for new construction clean, crisp, Coastal living under \$650K - look no further than our Classically New England Manchester II - one of our most popular models of 9 other available build packages at HERITAGE WOODS, ranging \$475K - \$725K The Manchester II design offers an outstanding opportunity to own a stunning, energy efficient, virtually maintenance-free getaway in one of the most sought after areas in Southern Maine, with 7 glorious miles of Beaches, including Camp Ellis, Ferry Beach, Ocean Park, Old Orchard Beach, Pine Point - all - minutes from your front door! The niche, Coastal inspired community, situated off Beach Street/Ferry Rd in sunny Saco, Maine, is sure to sell out as quickly as our prior Saco getaway development, with build packages featuring outstanding options like: full unfinished basements, garages, stainless/granite/quartz kitchens and energy efficient solar array options and with only 20 home sites left to choose from/4 homes to be released at a time - early Lot selection will be key - so reach out and schedule an intake to go over everything HERITAGE WOODS has to offer including all the exciting possibilities to change order customize your new home from our vast selection of master craftsman options NOTE: Models pictured are of previously completed Manchester IIs and just completed Rodeo model
