Overview

INVESTORS! This is an ideal time to purchase this land, especially when comparing prices in the area. There is also a unique opportunity to live in luxury on a golf course. Build your dream custom home on a 14, 375 sq ft corner lot with your preferred builder. There is no time limit to build, and the lot is conveniently close to the country club and its amenities, including a tennis court, fitness center, and pool. Just a reminder, at Bridges Golf Course, the land available to build your custom home is limited.
