Overview

Being offered is this split level, 3 beds and 2 1/2 bath home boasting a little over 2,000 sq ft. of finished living space. Sellers purchased this home from the original owners and made intensive upgrades throughout the years. Such upgrades throughout ownership include: newer roof; rear yard expansion of deck; updated exterior doors and interior fixtures; additional walk-in closet in main bedroom; updated bathrooms; recently replaced dishwasher and upgraded exterior sheds; replacement of HVAC unit during ownership and upgrades made to electrical service (200 amp upgrade). These are just a few upgrades owners made during their pride and joy years of ownership. There are additional upgrades made, the list goes on and on! Located in the highly touted Candlebrook Elementary Catchment and desirable Upper Merion School District. Proximity to all the great shopping centers and restaurants King of Prussia has to offer. Easy accessibility to highway entrance and off-ramps, this home offers comfort and convenience in your soon to be suburban oasis. Contact agent for private showings or look for open house schedules this coming weekend. First showings will begin starting 7/20 at first open house.
