## Overview

This Charming Mid Century South Side home is a rare find. It has a recently installed new roof. The is a spacious 4 bedroom home with 2, 234 sq ft. You will enjoy the warmth of the beautiful tongue and groove wood ceilings and the natural light that is provided by the clear story windows. Truly a rare find to have a home with so much beautiful wood and an abundance of storage. As you enter the home you are invited into a spacious living room and dining room. The long galley kitchen, with a brand new cooktop, allows for comfortable food creations. The home was built in 1958 with a spacious addition that was built in 1964. The addition provides a large bonus room and a secondary eating area. There is a fourth bedroom adjacent to the bonus room allowing for a a guest room or bonus room.
