## Overview

This home with great style and great location is move in ready! It has 3 bedrooms, 2 bathrooms and a finished basement family room with egress window! Kitchen appliances stay with the home. Plumbing throughout the home was recently updated to PEX. A new furnace was installed in 2020. Outside you will find a covered breezeway, fenced in backyard and stamped concrete patio. The 2 car garage has plenty of space, with a workbench and cabinets. Sellers are offering a one year home warranty!
