Overview

Welcome to this very well maintained 3BR/3BA split foyer home with Smith Mountain Lake Access. The main living area greets you with a spacious living room and dining area. The eat-in kitchen has stainless steel appliances and 2 gas ovens, oak cabinets with custom tile countertops and recessed lighting. Enjoy the view from the full length covered deck. Walking down the hallway you have a full bath that connects to the 2nd bedroom and the M. Bedroom has a gas log fireplace and access to the rear covered deck. The M. bath offers a jacuzzi tub and walk-in shower. The lower level has another full bath, bedroom and great room elegantly designed for relaxing. The extra large double garage is heated and cooled and has a laundry area and sink. The rear porch has a small outdoor kitchen and a great view of the meticulously maintained back yard with a pond and 2 sheds. The front and back yard also has low voltage landscape lighting with automatic timers. This community offers a dock for fishing and swimming and Magnum Point Marina and Restaurant is minutes away.
