Overview

Step into timeless beauty in this Brick ranch in The Park Great layout! New light fixtures throughout the main floor in 2014-2016 The living room is situated in the front of the home with a beautiful view of the neighborhood. Cozy fireplace is situated in the corner. Formal dining room is just waiting for you to plan your next dinner party. Step into the sunroom which would be perfect for an office or sitting room. Cozy kitchen has table space and plenty of cabinets. Two of the bedrooms conveniently open onto the back the back porch which would be perfect for guests or relatives to have their own private entrance. The back porch also has it's own basement entry via a hatch in the floor that leads down to the workroom. The basement was partially refinished in 2020 - 2023 with 200 amp service panel and lighting added throughout the basement. This home has tons of storage - better than move in ready! AC updated in 2022 Roof new in 2013 Brick partially tuckpointed and sealed in 2020 Epoxy flooring in both bonus rooms in 2021 Brick patio behind the house. Gas line has been run for stove from the basement.
