## Overview

The highly sought-after Addison model is preferred by buyers for its open kitchen/great room and 1st floor den/office. This 3 BR, 3.5 BA home is loaded with updated finishes and features. Recently remodeled kitchen offers high-end granite, stylish cabinetry, and upscale appliances including a Wolf gas cook-top. Beautiful great room w/cathedral ceiling, huge loft/bonus room, perfect 5 hardwood floors, updated vanity and granite countertops in the master BA, ceiling speakers, plantation shutters, custom closet shelving in master suite, covered screened porch, extended paver patio, and a knock your socks off lagoon to golf view! A perfect 10!
