Overview

This 2.12 +/- surveyed acres situated in Lincoln County, MS, within the desirable West Lincoln School District. The property offers an excellent homesite, with trees already cleared for hassle-free development. It is part of a welcoming community that allows for mobile homes, though some restrictions do apply. You'll have access to community water provided by the Bogue Chitto Water Association, and power is available through Magnolia Electric along the road. Call me for your personal tour.
