Overview

The Habersham plan is a must-see! LVP flooring will greet you at the entry and can be seen throughout the main floor. The kitchen flows to the dining and great room, making it a perfect spot to entertain. The gray shaker-style cabinetry compliments the granite countertops and stainless-steel gas appliances. The great room is spacious and leads to the backyard and covered back porch giving you the perfect spot relax and enjoy the lagoon view. The main floor primary suite will become your retreat with a large bedroom, vaulted ceiling, dual vanities, quartz countertops, and a five-foot shower, and also has additional storage with two linen closets and a huge walk-in closet. The spacious secondary bedrooms are located upstairs and each feature walk-in closets offering plenty of space.
