Overview

COMING SOON. Active on 7/19 or 7/20. This amazing horse property has so much to offer! A beautiful three bedroom, possibly 4 to 5 BR home on 7.3 acres! It is truly a park like setting with 40-50 Oak, Hickory, and Wild Cherry trees. Many Evergreen trees, 1 apple and sweet cherry, grapes, as well. This beautifully appointed home has many upgrades, including Andersen windows with custom Hunter Douglas blinds, high end oak cabinetry, soft water system, along with reverse osmosis to refrigerator and sink. Enjoy the views from the four season room with mini-split HVAC and ConservaGlass Select windows to keep it warmer in winter and cooler in summer. The full basement is finished with plastered walls and ceilings, and an opportunity for one or two additional bedrooms. It is lovingly, well cared for and meticulously maintained! Outside, you'll find a new patio, front sidewalk, and garden area. The 48x60 barn was built in 2005. Inside the barn you will find two box stalls with drains and rubber mats, two tie stalls, the 24x48 hay mow, tack room, insulated workshop, and plenty of room for your equipment. There are two low energy waterers outside and one inside. Two dry lots, 1600+ square feet of exterior concrete, 13 pasture and lot gates, six paddocks. Electric fence. This home sits at the end of a lane and has deer, turkeys and plenty of wildlife. The setting is amazing yet you are only 2 miles from the Hopedale Hospital, and just a 20 minute drive to Peoria or Bloomington. List

of amenities available.
