Overview

Exquisite Custom Home Presenting an elegant two-story residence featuring 4 bedrooms and 4 bathrooms, sprawling over 3, 000 square feet of luxurious living space. This home boasts an attached 2.5 - car garage and an open-concept layout, seamlessly connecting the expansive kitchen with island to the inviting living room/great room with a fireplace. Highlights include a formal dining room, a powder room, and a customizable mudroom area. Ascend the solid oak staircase to the upper level, where you'll find four spacious bedrooms with Mannington flooring and two full bathrooms. The master suite is a sanctuary, complete with a massive walk-in closet, double-sink vanity, and oversized tub. The basement extends the living space with a family/recreation room, and office area, a full bathroom and ample storage. There is also a secured room for your valuables. (Possible 5th bedroom could be made with a portable wall built). The home is equipped with a comprehensive security system, if desired. Outdoor living is enhanced with a charming front covered concrete porch area, a fenced yard, and an oversized lot featuring a deck off the kitchen with gates. Enjoy summer days in the 21' round Doughboy above-ground pool with a new pump, newer liner and composite decking, fenced. The backyard also includes a Discovery Deluxe swing set,

perfect for children, even at heart! Additional upgrades include a Maytag dishwasher (2021), water heater - 50 gallon (2024), fireplace burner (2024 and rear gutter guards (2023). This custom-built home embodies refined living and exceptional craftsmanship throughout!
