## Overview

Welcome to your Dream Lake home sitting on 3.58 acres offering Amazing views of Kentucky Lake w/ additional lots available. Floor-to-ceiling views of the lake in the great room, plenty of space to entertain in the eat-in kitchen with huge Island w/ seating and separate eating area open to the great room. Over 2000 sq. ft of outdoor living space on the covered deck, covered patio and covered front porch. Custom built w/ insulated concrete form foundation walls, Generac home generator. The Well has a 2-filter chlorinator system. There is over 1300 sq. ft of additional entertaining space in the finished basement with kitchen, living area and full bath w/ floor to ceiling views of the lake and access to the covered patio. There are 2 heated and cooled buildings w/ over 500 sq. ft of living space that could make great guest suites. Plenty of parking in the 30x30 main level attached garage, 14x30 basement garage, 40x50 Heated and Cooled RV/boat garage and 2 car carport. Walking distance to the lake and boat ramp
