Overview

This nice downtown property was previously used as a law office and is conveniently located across the street from the Logan County Justice Center. The property has had several recent updates, the roof has been replaced by a licensed contractor. This is a great opportunity to own a nice property that has lots of possibilities. Do not miss your opportunity to own this beautiful home in the heart of downtown Russellville. Shopping, food , fuel, Post Office, banks and so much more. Every thing you need within walking, biking or driving distance.
