## Overview

Off Market-Coming Soon-No Showings Allowed. Available to show beginning July 13. This house has it all! This piece of paradise spans over 4000 square feet of indoor living space, which includes 5 bedrooms, 6 bathrooms for plenty of privacy for everyone. It is an all brick, well-maintained home that sits on 10 acres and overlooks a beautiful pond that welcomes ducks and ducklings alike each year. The home includes a 2-car attached garage and a 2-car detached garage. As you enter the front door, you will notice soaring ceilings, custom floor to ceiling windows, a kitchen that is a chefs dream with a breakfast bar and the master suite that is separated by frosted glass French doors. As you make your way upstairs you will be greeted with a family room overlooking the downstairs area. Off the family room are 4 bedrooms that all have full baths attached. This elegant house has custom lighting and drapes throughout. In laid tile floors downstairs and hardwood floors upstairs. Outside of this spectacular house you will find a brick paved oasis with a fire pit shaded by mature trees perfect for a relaxing evening. This is an amazing property that you have to see to believe. Schedule your private showing today!
