Overview

Location! Location! Location!! Fantastic lot in an elite, gated lake community, waiting for you to build your dream home!! Twin Creeks Village is located a short drive from Nashville, Chattanooga, and Huntsville and central to TONS of hiking trails, state parks, camping sites, waterfalls, caverns, lakes and streams! Don't miss out on this beautiful lake lot nestled just steps away from the Tims Ford Marina, where you can rent a boat slip or just rent a boat or jet ski if you don't want to own one. The village has three beautiful pools for you to enjoy, or build one in your own yard. There is no grass to cut, because the HOA takes care of that for you! All of the utilities are underground and available, including gas and internet services. This lot is unique in that it has 206 feet of road frontage, which will allow for a very wide single or two story home with plenty of elbow room between neighboring homes. Approximately 40% of the required sidewalk install has already been.
