## Overview

This modern rancho in Foinikaria is a real pearl for nature lovers. Marvellous views of the dam and mountains, quiet neighbourhood, and large fruit garden with avocado, pecan, citrus, plum, apricot, fig, guaba and kiwi trees where birds are singing in the morning.

The Rancho consists of two houses. There is a main house of 108 m2 which consists of an open plan sitting/kitchen area, plus a large covered veranda of 55 m2 with beautiful views (which can be converted into additional bedroom or living area space), 2 good-sized bedrooms with plenty of wardrobes, 2 full family bathrooms with showers and an entrance area with large wardrobes. All areas are very conveniently considered and designed. From the veranda, you may see the Troodos mountains in the distance.

There is an additional house of 50 m2 which can be used as a guest or maids house.
