## Overview

Welcome to this luxury custom built home in the sought after gated area of Wimberley Springs in Wimberley, TX. Uniquely situated on 2 lots, the expansive .83 acres offers a beautifully treed yard with visiting deer. It's just minutes from downtown Wimberley with quaint shops, restaurants, supplies and local faire. The interior was remodeled in 2019 and has tile flooring throughout. The home is mostly handicapped accessible (including doors and the primary shower) and would need just a couple of ramps to complete it. The thoughtful kitchen features Thor appliances throughout and a Bosch convection microwave. There is also a new standing seam metal roof that was replaced in 2024 and HVAC replaced in 2019. Water softener and RO system installed (leased). This sturdy home is unique and set apart from the other construction available in this area. Come take a look and see the difference!
