## Overview

Step into your dream home with a digital walk-thru video! This immaculate 3-bed, 3-bath townhome in the gated Plantation Bay community offers luxury, privacy, and convenience. Nestled on a unique premium homesite, it boasts serene water and conservation views—no rooftops, just peaceful nature. Relax on the screened lanai overlooking the manicured grounds and mature trees. The home features an elegant paver driveway, glass-front door, upgraded tile flooring, high ceilings, crown molding, and natural light from 8-foot triple sliders. The gourmet kitchen offers quartz countertops, a spacious island, top-tier appliances, and a subway tile backsplash. The main-level primary suite has tranquil views, a custom walk-in closet, and a luxurious ensuite bath. A second main-level bedroom with an adjacent bath provides convenience for guests. Upstairs, enjoy a bonus room with wood floors and serene views, plus a second private primary suite with a walk-in closet and ensuite bath. Plantation Bay offers golf-cart-friendly living, world-class amenities like 45 holes of golf, a new \$30M clubhouse, pools, tennis, fitness, and a vibrant social calendar. Welcome to a place where every day feels like a vacation!
