Overview

Four Palms Ranch is beautifully set on over +/-10 gently rolling acres with spectacular views of Clear Lake and Mt. Konocti. After passing through the ranch gate, wend your way among the olive and walnut orchards while appreciating the special sense of arrival to your private paradise. The contemporary architecture of this single-level home is complimented by traditional interior finishes. The open floor plan is anchored by a voluminous living room with vaulted ceiling and captivating views. The bright and very spacious eat-in kitchen is perfect for entertaining. Awaken to gorgeous vistas from the primary bedroom which is complimented by a bath en suite and two walk-in closets. The massive view deck is accessed by sliders from the living areas and the primary suite. A sparkling in-ground pool welcomes you after a leisurely day tending to the orchards, or enjoying area amenities including numerous wineries, hiking, fishing and boating. Positioned in a separate wing of the home are two guest bedrooms, an updated guest bath and a laundry room. There's a big two-car garage, plenty of parking and a metal outbuilding, too. The new roof, gutters and solar array are a few of the recent improvements.
