## Overview

Price Improvement - Motivated Seller - Rare find- This handicap accessible home was built in 2018. All of the systems and appliances are 5 years new. It is nestled on a dead end road near the chain of lakes. The home is located on a double lot equalling .40 acres that give privacy and drive through access to the road behind the home. The large kitchen has 2 pantry cabinets and enough room to put an island if desired. The kitchen is equipped with stainless steel appliances and beautifully stained wood cabinetry. The heart of the home is the livingroom and dining area where you can just relax or entertain friends. The master bedroom is spacious with an large ensuite. From the master bedroom there is a pet door that leads out to the fenced area. The modern master bath has a large H.A. shower. If you've ever dreamed of having a home with a white picket fence you've found it. The fence surrounds the English garden with blossoming flowers, fruit trees and walking path. There is a covered area where you can relax in the shade and enjoy the natural beauty of your surroundings. Covered parking wide enough to fit 2 cars. The large screened front porch is inviting and looks out over the garden. This is a must see home! Plenty of room in the back for an RV , garage or barn. Room measurements need to be verified by buyers.
