Overview

This plot is located within a recent urbanization composed of luxury homes. The plot has an area of 1055 m2 and the construction permitted is for a villa with 35% of the construction area of the plot (one or two floors). This plot benefits from all the infra-structures already being in place, good accesses to the beach, Golf, Quinta shopping and the Airport. This urbanization is very quiet and one of the most privileged urbanizations for residential homes in this area.
