Overview

Modern luxury meets barefoot elegance in this oceanfront masterpiece in Islamorada! Stunning ocean views can be seen from almost every room in this spectacular home. Designed for casual living and entertaining, indoor and outdoor living is seamless and allows for year round enjoyment of the Florida Keys lifestyle. Open ocean views, 380 ft. of dockage with power and water and a cut in boatslip with a 25,000 lb. boatlift will accommodate your boats and water toys. Boasting 6 bedrooms, each with ensuite baths, a 3 story elevator whisks you from the ground level to the main living level on the second floor. Here you will find an open floor plan accented with high coffered ceilings and tall windows and doors opening to ocean views. The kitchen has a large island with quartzite counters and a waterfall edge, GE Monogram appliances and walk in pantry. The primary suite offers ocean views, his and hers closets and a magnificent bath with a double vanity, free standing tub and ingenious double shower. There is a junior primary suite on this level with its own breakfast bar and refrigerator. The game room is on the 3rd floor with exceptional ocean views, service bar and 600 bottle wine vault! Also on this floor are 4 guest bedrooms with ensuite baths. This oceanfront oasis is gated for privacy and features a 3 car garage plus an additional single car garage! The paved driveway leads to the front door and entrance foyer where you see the pool and oceanfront

beauty shining through. To the left is the gym to work off last night's dinner and the pool deck and dock are straight ahead ready for some fun today. There is plenty of shade by the outdoor kitchen or you can relax on the oceanfront chaises. The pool with sun shelf and spa are ready for your friends and family to enjoy. Need a little extra shade? An oceanfront tiki sits beside a fire pit for the perfect transition from day to night! Tiki torches along the waterfront are the perfect evening accent!
