Overview

Welcome to Cloudland Station, nestled at the foot of Lookout Mtn, one of the most innovative Northwest Georgia's communities. Great care has been taken to preserve stunning views of High Point and Round Top and sweeping forested landscape all while fostering a true sense of community. Cloudland Station offers the most creative amenities including a stunning pool area, a rope ferry to carry you across the charming pond, miles and miles of hiking trails, fishing, the a large tree house built the famed Pete Nelson of Tree House Masters, just to name a few. Lots 86 and 87 are situated just above the pool. By adding these two lots together you can have one of the most spacious lots to take in the best views of the picturesque Lantern Cove and High Point on stunning Lookout Mtn. Take a minute to visit Cloudland Station's website, cloudlandstation.com, to hear the visions of the developer, hear from community member themselves, and see all that Cloudland Station has to offer. Both lots are to convey together.
