Key features

Surface: 114 sqm

Bedrooms: 2

Bathrooms: 2

Garden: Yes

Shared swimming pool: Yes

Interior Description:

The apartment is located on the ground floor of a renovated farmhouse and is designed to offer comfort, functionality, and a warm ambiance. The entrance leads into a spacious living room with a fireplace and kitchenette, featuring traditional Tuscan elements such as exposed wooden beams and terracotta floors. Both bedrooms are generously sized, each with a private bathroom and direct access to the garden, ensuring maximum privacy. The property will be delivered fully finished and ready to move in.

Exterior Description:

The apartment is surrounded by a well-maintained shared garden, enriched by a panoramic swimming pool and sunbathing area, perfect for relaxing outdoors. The setting is peaceful and immersed in nature, with stunning views of the surrounding countryside. It's an ideal place to enjoy the outdoors, read under the

shade, or take a quiet stroll in the Tuscan landscape.
