Overview

The Twin Harbors subdivision on Lake Livingston is a picturesque, wooded subdivision that features a community of nearly 200 homes, showcasing a blend of new construction and serene natural beauty. Each lot is generously sized, offering ample space for privacy and outdoor activities. The landscape is adorned with tall trees, providing a lush, green environment that enhances the overall appeal of the area. The community is designed to foster a sense of togetherness while maintaining a tranquil atmosphere. Residents can enjoy access to the lake, making it ideal for boating, fishing and recreational activities. Architecturally, the homes in Twin Harbors are diverse, reflecting modern design trends while harmonizing with the natural surroundings. Come make this deed-restricted upscale subdivision on the Northeast shore of Lake Livingston your new home. Lots 105, 106 amp; 107 are all for sale. Dimensions to be verified by the buyer.
