## Overview

MLS# 281949 If space, comfort, and a welcoming neighborhood are at the top of your list, this custom-built StoneCrest home is calling your name! With a sprawling 2,915 sq. ft. layout, five bedrooms, three bathrooms, a den, and extra-large living and dining areas, this home is perfect for those who love room to spread out—whether that's for a growing family, hosting guests, or simply enjoying a little extra breathing room. The kitchen is a dream for home chefs and busy households alike, featuring beautiful wood cabinets, gleaming granite countertops, a huge pantry, and a convenient mudroom area to keep everything tidy. And when it's time to unwind, the primary suite delivers luxury with its expansive walk-in shower with dual shower heads and a double sink vanity—because sharing space should always be easy. Outside, the huge backyard on a prime corner lot is brimming with possibilities—think summer barbecues, a future pool, or even a small shop. And the best part? The charm of a well-kept neighborhood with easy access to walking paths, parks, schools, grocery stores, and more. This home isn't just about the square footage—it's about the lifestyle that comes with it. If you've been searching for space to grow, a place to gather, and a community to love, this is the one.
