**Overview**

MLS# 281802 MLS# 279834 This charming two-bedroom, one-bath mobile home offers a cozy and functional living space perfect for small families or individuals. The open-concept layout seamlessly connects the bright living area to the well-equipped kitchen, featuring modern appliances and ample storage. Each bedroom provides a comfortable retreat, with enough space for personal touches and relaxation. The bathroom, thoughtfully designed, includes contemporary fixtures and a spacious shower. Outside, a small porch invites you to enjoy morning coffee or evening sunsets, while the low-maintenance yard ensures more time for leisure and less for upkeep. Ideal for those seeking affordability and convenience, this mobile home blends comfort with a sense of community. This location is private and has access to play area and privacy. Financing is available for this home!
