Overview

Experience luxury lake front living with an open water view! Located in a private, gated community on two expansive lots, this bright and airy ONE-STORY home offers nearly an acre of beautifully landscaped yard. Take a leisurely stroll to the boathouse down a wooded path, where you can easily hop onto your boat and spend a day cruising the lake. Enjoy stunning views of the lake from the outdoor living area with a heated pool and hot tub, the screened in porch with a summer kitchen or the cozy sunroom indoors. The many amenities include radiant heated flooring in primary bath, oversized walk-in closet, walk-in pantry, water softener with reverse osmosis, remote shades, full-house generator, full-yard sprinkler system, air-conditioned workshop, mosquito misting system and pool bathroom. All appliances and some furniture can convey.
