Overview

Nestled amidst the picturesque vineyards of Hondon de las Nieves, a charming town located in a serene valley surrounded by olive and almond groves, lies a collection of 15 modern apartments, each offering the choice of 2 or 3 bedrooms and 2 bathrooms. Thoughtfully designed with modern comforts and conveniences in mind. The inclusion of pre-installation for ducted air conditioning and the hot water system is powered by aerothermal heating, providing an energy-efficient solution for everyday needs.

Furthermore, the installation of photovoltaic panels on the roof harnesses the power of the sun. Residents will also appreciate the convenience of a designated parking space with a storage room in the basement.
