Overview

You'll love this gorgeous 2-story home located just 700 meters to Kent Beach (from its bottom gate). Nestled on a hill top you'll love this charming, 2-story mansion with spectacular panoramic views of the ocean and lagoon. This spacious 7 bedroom, 6 bathroom home (has another 7 bathroom outside) with a double garage will give you 600 sq ft of generous living space to move about (without losing that quaint, cozy atmosphere when it's time to cuddle up on the patio overlooking the ocean with a good book). Wake up each morning to awe-inspiring sunrises over the ocean and drift off to sleep each night with the tranquil sounds of nature. Situated in a friendly community with a street full of permanent neighbours and street cameras making it one of the safest neighbourhoods on the coast. Ground floor has a covered patio and a very large storage room (then still 2 floors above). Besides the main kitchen there is an additional kitchenette and another tea station. The home can currently be divided into 3 separate areas that can be rented out each with their own entrance. Marina beach links with San Lameer on a blue flag beach with restaurant, bar and one of the nicest beaches to swim and take in the sun. Marina Beach is close to all the various tourist attractions, shopping amenities and offers a peaceful environment to live, vacation or retire.
