## Overview

Lot #12 is Lago Bay's premiere 360 degree estate lot that is both ocean view and lake front. Just 150 meters from the beach, the home site is perched on the lot's own rounded hill with a wrap-around access to Tiger Lake. Tiger Lake is filled with peacock bass, snook and tilapia. With a coconut and fruit tree grove, this 12,000m2 (3 acres) lot has plenty of room to create. Project Description: Lago Bay is a lake and beach community bordered by protected rain forest, a fresh-water lagoon and over 2k of beach. Boutique, organic projects of coconut, moringa, avocado, coffee and aquaculture complement the surrounding flora and fauna. Located along a bay with several islands offering additional protection, the sea at Lago Bay is always tranquil. 15 minutes to the West lies the tourist town of Santa Catalina known for its world-class surfing, diving and fishing. Day trips to the Coiba National Island Park are perhaps the main attraction for the greater area with over 200 dive sites. Lago Bay offers a unique residential combination of activity, peace and value.
