Overview

The village is very well developed with many shopping facilities, library, post office, cafeterias and it is perfect location for living all-year-round. Beautiful nature, closeness to the seacoast and to Balchik in the same time makes the area very popular among the investors and developers. Both of the houses offer bright and spacious accommodation, total living area is 155 sq.m. Each house consists of: First floor - living-room, dining-room, kitchen, bathroom + WC Second floor: 3 bedrooms (one is en-suite) and 2 bathrooms. Two of the bedrooms have outlet doors to a terrace. Exposure - South / East Finishing includes: Ceramic tiled and wooden laminated floorings throughout, high quality wooden window frames, satellite TV internet are easily obtainable. Each house comes with 1000 sq.m. plot of land with a parking lot. Excellent holiday home!
