## Overview

These mountain modern townhomes feature a spacious and open floor plan, with a one car garage. Thoughtfully designed and completed, with luxury finishes and appliances featuring Wolf and SubZero. These townhomes offer the convenience of an urban location with the ability to walk to all the restaurants and shops that Avon has to offer, hop on the bike path, or shuttle up to Beaver Creek village for a full day of skiing. Beautiful westerly views from all units will make for incredible sunsets. A private path for river access makes this a great location for fishing enthusiasts or those that enjoy kayaking and other river adventures. Ref: 36932-192209880
