## Overview

Mountain living awaits at this well-maintained 4 bedroom, 3 bathroom log cabin! Located on 3 acres, this property offers a combination of mountain views and creek frontage. From the freshly graveled parking area, walk along a landscaped pathway to a rocking chair front porch. Step inside to an open living area with vaulted ceilings, a fireplace, and an open kitchen with breakfast island. Enjoy natural wood paneling throughout the main living area. On the main level, you'll find two bedrooms that share a bathroom. Upstairs, find a master suite with ample closet space! A separate living area/in-law suite with an additional bedroom, bathroom and utility/workshop space are located on the lower level. There is plenty of outdoor living space with two large decks, a covered front porch and a nice hardscape firepit area that's perfect for entertaining. This home is easily accessible from HWY 441 and only minutes from various amenities including a grocery store, restaurants and hiking trails. Less than 5 minutes from the Rabun Gap Nacoochee School campus. Less than 5 minutes from the North Carolina state line. This would make an excellent vacation rental or enjoy as a private retreat! Please note that the current owners rent the lower level to a full time renter.
