## Overview

Picture yourself sitting on the front porch watching the bunnies play and the sun go down. Just far enough away to feel you have escaped the hustle bustle but still close enough to run to the store if needed. This 4 bed, 2 bath home will be the perfect place for those things! A charming 1930s farm house that has been lovingly cared for, almost 2 acres to have chickens, bees, dogs, whatever animals your heart desires! Furnace AC = 2 years old, new rear deck, two sheds, two car detached garage with large walk up attic space above. House wired for generator but no generator yet. "Basement" is a true cellar.
