Overview

WELCOME TO THE GABLES! You'll love this exceptional unit which is very rare in the complex, since it has 3 bedrooms. It also has 2 full baths up and one half bath on the first floor. The living area is open and includes a formal dining area, kitchen and living room with a gas fireplace. The kitchen has granite counters, tile backsplash, stainless steel appliances and ceramic tile flooring. The rest of the living area has hardwood flooring, except for the half bath. There is a deck off the dining area with a peaceful wooded area for a backdrop. Occasionally deer may stop by, as the State Park abuts the property. Three generous sized bedrooms occupy the second floor and a huge walk-in closet in the master suite. The laundry is also off the large hallway upstairs. The basement is finished and can be used for exercise, playroom, office or whatever your needs are and has additional storage space in the utility room. This home is meticulous and move-in ready!
