## Overview

One-of-a-kind stunning Contemporary-style home nestled back on a beautiful 12 acre estate lot. As you enter this home you will step into a large foyer and will be greeted by a grand floor to ceiling brick fireplace in the family room, with cathedral wood ceilings and beautiful wooden beams as well as a full wall of glass sliders leading out to the back deck. This room is definitely a showstopper. The beautiful wood beams run into the large kitchen that features brand new quartz countertops and appliances as well as a sunroom that has surrounding glass sliders for a perfect view for your morning coffee. The first floor also features a dining room and office that both have access to the back deck as well as the master bedroom and bathroom. The lower level includes the grand brick fireplace in the second large family room with access to the backyard. Also, featured are four bedrooms and two full bathrooms. Three car garage with loads of storage. Don't miss out on this magnificent home!
