## Overview

Good to know: Willow Drive is well-located for schools, with a good range and a high standard of schools such as Lacey Green Primary Academy, Royal School, St James' Catholic High School or The Kingsway School all within easy reach of this property. The property is well-connected to a good range of transport links such as Handforth train station and connections to the Handforth bypass and M60 motorway, that will enable you to get to wherever you need to get to, quickly and easily. We feel Willow Drive is a desirable place to live, ticking lots of boxes in terms of safety, neighbours and community and a great place to call home. It's also well-connected to local amenities; for the most part, you have all the things you might expect in a local community within easy reach and without much travel. The property comes with a garage and driveway for parking as well as a well-kept front and back lawned gardens with established trees and shrubs. The property is presented on an unfurnished basis. Things we noticed: The property will be ready by the beginning of February 2022 while minor maintenance work is completed.
