Overview

The Villas at Cocoplum is the premier Caribbean villas, conveniently located among the 16-mile Placencia Peninsula and is approximately 6 miles to the tourism village of Placencia. The Villas at Cocoplum has a pristine and beautiful Caribbean beach, a relaxing infinity pool, and exceptional privacy with gated/guarded entrance. The Villas at Cocoplum already has 3 buildings completed, building #2, #3 and #4 just completed in October 2014. Building #1 construction has just commence, and only the two 3 bedrooms units on the 2nd floor are available for sale. Ground floor and the full floor 4 bedroom penthouse units are sold. This 3-bedroom unit will offer 1,353 square feet of interior space and 346 square feet of deck space. The interior of all the units can be finished in a traditional Caribbean wood look, like the current condos or a buyer can elect a more modern finish. Nothing else even comes close! Premier location, pristine private beach, guarded/gated entrance and privacy & tranquility like nowhere else in Belize. Rental program also available. The property is stunning and is considered by many as the goal for quality construction and incredible design.
