Overview

Vincitore Palacio is a mixed-use project composed of residential and retail located in the Arjan community. The project, which is close to the famous Miracle Garden, will be comprised of six buildings covering 173,000 square feet. Designed with classic architectural designs, the mid-rise building is designed with classic architecture which will feature retail leisure activities at the ground floor. The upper floors, meanwhile, are reserved for residential and serviced apartments. The project provides modern amenities including a pool, gymnasium, sauna and a lot more. Strategically located in the heart of Dubai and the Arjan master development, Vincitore Palacio offers every element of quality living. With 175 luxury apartments; 3000 square feet of health club area comprising a gym, sauna and steam rooms; a 60-foot temperature-controlled swimming pool and beautifully landscaped recreation area with water features; this palatial structure really lives up to its name.
