Overview

Move in now and pay over 2 years without any interest or commission.- Ready to Move-in- Fully furnished- Landscaped garden- Temperature-controlled swimming pool- State-of-the-art gymnasium- Covered Parking- Grand lobby with caf- Steam room and sauna- Luxury spa- Childrens play area Due to its strategic geographic location, increasing airport importance and aviation sector, the UAE government has announced the construction of a project that will cover an area twice the size of Hong Kong. This area is south-east of Jebel Ali, named Dubai World Central (DWC). DWC will eventually serve as one of Dubais major economic zones, hosting a number of activities including: aviation, commercial, logistics, residential, and humanitarian. Moreover, Al Maktoum International Airport, with a planned capacity of 160 million passengers and 12 million tons of cargo and designed to handle the 20 million expected visitors of 2020 is already operational. Dubai World Central is projected to house 900,000 residences in the future, making it one of the largest multi-purpose projects in the UAE.
