The open plan living area features a fully-equipped Western-style kitchen with breakfast bar and a dining area off the kitchen. There is a comfortable, spacious downstairs living room and an additional downstairs bathroom. There are flat screen satellite TV with DVD players in the living room and master bedroom.

The pool terrace has a private infinity swimming pool set in a beautiful, tropical private garden with outdoor dining area, sun loungers and terrace. You can also enjoy the tropical ambiance with beautiful island-wide views from the upper floor.
