Overview

Hidden Gem in Santiago Hills, Ocean Views. Lot Size: 11,947 m² * \$1,000,000 USD * \$84 / m² - 2 beautiful lots are combined to make this spectacular property. This is a beautiful property with great potential for a private residential home. It overlooks valleys of jungle, mature trees and the pacific ocean. It has great plantellas, internal roads and big open spaces. This property is made up of 2 lots as shown in the picture provided with the lots coded on the map as blue and purple. There is a well and electricity included. The lot is titled and zoned as residential, 25% build. It is accessed by a private road. It is only 8 minutes from Playa Hermosa beaches, school and restaurants. We can advise you about architects, builders, and building in Costa Rica. April has 30+ years in Costa Rica and will help you with this property or find another one for you. Check out our website.
